

Like: Nalgene has BPA free and reusable water bottles. They have a nice selection of bottle sizes and tops to suit everyone's individual needs.

Love: I love that they are leak-proof and offers kid-size water bottles (I have 3 kids and we NEED good water bottles). Nalgene is also *green*.

Journal Menu (\$24.99+)

Like: I created a running journal through Journal Menu but they have other fitness options available as well. They are small enough to throw in your purse but big enough to write in. They have a variety of
